

Certificate of Limited Warranty

Parts Warranty (No Labor)

Pete's Auto & Truck Parts, Inc. warrants all purchases subject to the conditions and limitations below:

1. All parts are guaranteed to be free of defects for a period of 90 days from the date of purchase, which is the date on the invoice, not the date the customer has the part installed. Warranties on any product sold shall be in effect only for the duration of the expressed warranty. All parts are covered under the standard 90 days, if a customer chooses to purchase an extended part warranty that will be listed on the front of the invoice:
 - Silver Part Warranty = 180 days
 - Gold Part Warranty = 365 days
 - Platinum Part Warranty = 1095 days
2. All parts may be returned for any reasons in the first 30 days after purchase. After 30 days, Pete's Auto & Truck Parts, Inc. is not required to give a refund on the part. The customer is responsible for timely returns of parts that are not needed. If Pete's Auto & Truck Parts, Inc. paid to have a part shipped to the customer or to the store location in order for the customer to pick the part, then the customer will be refunded less the cost of shipping both ways.
3. Pete's Auto & Truck Parts, Inc. may, at its option, replace or repair the part/s or refund the original purchase price.
4. According to the State of Michigan ruling on trade-ins and exchanges, Pete's Auto & Truck Parts, Inc. cannot (by state law) refund tax paid on a core charge.
5. Pete's Auto & Truck Parts, Inc. does not assume responsibility or liability for towing charges, rental vehicle use or charges, lay-up time, loss due to down time, cost of lodging, cost of fluids, seals, or any other purchase incurred to install or uninstall a part.
6. All implied warranties are limited to the terms of this limited warranty. Consequential or incidental damages are not covered under this warranty.
7. Improper installation voids this warranty. Lack of maintenance can void this warranty. The used part you have purchased must be properly installed and maintained in order to fulfill the conditions of this warranty:
 - Engines must have new oil and filter installed upon installation and every 3,000 miles thereafter.
 - Transmissions must have new seals, filters, gaskets, and oil upon installation.
 - Engines/Transmissions must have proper capacity cooling systems and must be flushed or replaced upon installation.
 - Front Axles/Rear Axles/Carriers must have new fluid upon installation.
8. All engines are warranted against cracked cylinder blocks or heads, bad camshafts or crankshafts, excessive smoking, and are in good running order unless otherwise stated.
9. Engines are sold as long blocks only. Components including relays, sensors, water pumps, fuel injection, distributors, computers, etc. may be included on the engine when you purchase it but they are there for convenience only, they are not warranted and may need to be changed to assure proper fit and function.
10. To file a warranty claim, please contact Pete's Auto & Truck Parts, Inc. when the part is still installed in the vehicle, and be prepared to tell the salesperson the diagnostic codes. All warranty claims must be authorized by Pete's Auto & Truck Parts, Inc. and will be processed within 30 days of authorization.

Parts AND Labor Warranty

If you purchased a part and labor warranty, the part is subject to the normal conditions above, but should the part fail within the warranty period (after being properly installed and maintained) you will be entitled to be paid for labor as follows:

1. Labor will be paid for approved warranty claims up to \$75 per hour per Mitchell Blue Book repair hours, up to \$1000.00.
 - Gold Part + Labor Warranty = 365 days
 - Platinum Part + Labor Warranty = 1095 days
2. If Pete's Auto & Truck Parts, Inc. cannot provide a replacement part due to pricing or availability, half of the normal labor will be paid, with a maximum of \$250.00 being paid out. For example, instead of paying 8 hours at \$55 per hour, 4 hours would be paid at \$55 per hour.

This recycled OEM part was provided by a professional automotive recycle that participates in the ARA Gold Seal Certified Automotive Recycler Program and therefore agrees to abide by the program's code of ethics. If you feel that this company has failed to deliver on a promise or you are not satisfied please call the Automotive Recyclers Association Customer Complaint Hotline at 888-385-1005.
